## EXECUTIVE LEADERSHIP PROGRAMS →

ANZSOG's Executive Leadership Programs offer strategic solutions to enhance senior leadership in the public sector. Designed by leading experts, these programs focus on developing leadership practice, strategic thinking, and political astuteness tailored to public sector needs. Learners gain practical tools and insights to navigate complex challenges, fostering organisational excellence. The collaborative environment also provides exclusive networking opportunities, allowing participants to connect with peers facing similar challenges, creating lasting professional support networks.

### Executive Master of Public Administration

This program builds capabilities needed for a high-impact public sector career. Conferred in partnership with leading universities, learners gain deep expertise in policy design, evidence-based decision making, strategic management and financial governance, emerging with a world-class postgraduate qualification and the confidence, skills and network to advance their careers.

#### Who is it for?

Ideal for high-potential future public sector leaders with at least five years management experience, this blended program brings together the best of in person and online learning to meet the needs of busy professionals.

**Applications closing 30 November 2025.**

Commencing  
Feb

\$62,494  
(excl. GST)\*

2 years of part-  
time study

Blended

### Foundations of Public Leadership

This program empowers learners with the skills to lead confidently in complex environments. Through immersive learning, including peer-peer coaching, it builds self-awareness, critical management skills and a future focus. Learners return to work equipped with practical tools and a clear plan for elevating their impact.

#### Who is it for?

Created for middle and operational managers (new or experienced), the program supports learners in their current role, as well as those planning to transition to more senior leadership positions.

**Applications closing 23 February 2026 (March program).**

**Application closing date for September program TBC.**

Mar-Apr  
Sep

\$9,800\*

6 days

Blended

### Strategic Leadership in the Public Sector

This program transforms experienced managers into forward-thinking leaders. Through weekly online sprints, learners gain strategic tools, explore innovation trends like pro-social AI, and apply leadership frameworks in real-world challenges. The program fosters self-awareness, cultural intelligence, and equips leaders to drive high-performing teams with clarity and purpose.

#### Who is it for?

Developed for mid-to-senior level public servants, this program is for those looking to develop their leadership approach and deliver greater strategic impact in their organisation.

**Application closing date TBC.**

Commencing  
Oct

\$19,600\*

10 weeks

Blended

### Deputies Leadership Program

This program provides a deep understanding of the Deputy role. Blending academic insight with real-world experience, it builds capabilities for navigating complexity, digital transformation, and policy delivery. Learners gain practical tools, peer networks, and a deeper understanding of leadership at the political-administrative interface.

#### Who is it for?

Designed for early-stage public sector Deputies with up to two years' experience, this program benefits those wishing to build their networks, learn about the expectations and responsibilities of their role, and explore how their leadership makes a difference.

**Application closing date TBC.**

Sep-Oct

\$22,600\*

6 days

Blended

### Executive Fellows Program

This program empowers senior public sector leaders to tackle complexity and lead change through uncertainty. Providing diverse, global perspectives contextualised to the unique needs of Australia and Aotearoa New Zealand, it offers unparalleled access to an exclusive network and cross-jurisdictional dialogue, equipping learners to drive meaningful change and adapt to rapidly evolving public sector challenges.

#### Who is it for?

Curated for public servants at a senior executive level, this program is for those operating at the top of their department, ministry, agency, commission, or multilateral organisation.

**Applications closing 1 September 2026.**

Oct-Nov

\$29,800\*

7 days

Blended

## PROFESSIONAL LEARNING PROGRAMS →

ANZSOG's Professional Learning Programs deliver premium quality, sector-specific development for public servants seeking to enhance their skills. With access to world-leading experts and academics, these programs connect learners across different government areas. Designed with flexibility in mind, their short-format means they fit easily into busy schedules, allowing learners to build the specific capabilities required in today's public sector.

### Custom Learning Solutions

In addition to our Executive Leadership Programs and Professional Learning Programs, we work in partnership with public sector agencies and departments to develop bespoke executive education programs in areas such as leadership, policy, regulation, governance and integrity – tailored to meet unique organisational needs.
